

Community Spotlight Feature Article

Do you have a story about a community organization you are passionate about? Does your business support a local community charity? Tell your story to the world to show the good work that mortgage bankers and brokers do throughout New Hampshire. Please give us a little information about your company, yourself and the organization you support. We may then contact you for an interview for our new Community Spotlight Feature. Your story may be placed in the MBBA-NH newsletter, website, or issued as a press release. Come on MBBA-NH members! Let's tell the world about the good work our membership does on behalf of mortgage bankers and brokers in New Hampshire.

Name:

Company:

Contact Info

Name of community organization

How does your business or you participate make a difference to this community organization?

How or why has being in your profession helped you in your duties as a member of this community organization?

We look forward to your stories!
