

## **MBBA-NH and Real Estate CEU Classes**

Do you currently have an approved class through the New Hampshire Real Estate Commission? Are you looking for more exposure in marketing your approved CEU class? Would you like to be involved with helping MBBA-NH create and present new CEU classes for real estate agents? The Public Relations Committee is looking for you!

We want to partner with presenters of approved classes to help them reach out to more real estate agents. The PR Committee is looking to create a list of classes our members can present. We will then assist in the marketing and scheduling of MBBA-NH endorsed classes. We may also want your assistance in creating more classes.

If you have an approved real estate class please provide the PR Committee with the approved course number, a course outline, and your bio. Once the course has been reviewed and endorsed by the PR Committee we will work with you to look for opportunities to present the class.
